Welcome to Greenberg Laser Eye Center. Thank you for choosing us.

As you are a new patient here, we would like to inform you of a few things in preparation for your appointment:

- Please bring with you:
  - **Completed paperwork** or if you prefer you can email or fax it to our office in advance.
  - All **insurance cards** including medical insurance cards
  - **All eyeglasses (prescription glasses and any store bought pre-made eyewear)**
  - **All contact lenses including contact lens packaging with specifications**
  - A list of your medications
  
- Please allow **1½ hours** for your complete eye exam. Dr. Greenberg will perform a dilated medical examination of your eyes. If you wear contact lenses or are interested in being fit for contact lenses please allow at least **2 hours** for your exam.
  
- Dr Greenberg is a medical doctor and surgeon who is able to see and treat medical conditions of the eyes. Some examples are arthritis, diabetes, dry eyes and glaucoma. If you have a medical eye condition your medical insurance will be billed for the visit.
